

Team Captain Plan-of-Action

Fundraising Plan for all Teams

In an effort to coordinate and assist you in your fundraising plan-of-action, we have developed a monthly plan that all teams can participate in prior to the walk on May 22nd to insure you meet your goals.

February

“Bake Sale Month” This is an opportunity for you and your team to sell Cookies, Muffins, Candy to sell at Work, neighbors, service organizations, schools, church or anywhere else that you think would be appropriate. Check out the KTXL FOX40 Bake Sale photo!

March

“Make-A-Wish Madness Month” This is an opportunity for you and your team to sell the “Star Cut Out” program. You can have a competition within your team to see who can sell the most stars. Sell them to your family, friends, co-workers, favorite restaurants, businesses you frequent, social organizations, church, clients and even strangers who care about the cause of Make-A-Wish. Walk Co-Chair Chris Pilkington will share his star selling idea during the breakfast.

April

“Auction/Yard Sale Month” This is an opportunity for you and your team to create or receive donated items to auction off at your office, neighborhood, social clubs. You can create a themed basket of items to be auctioned during lunch hour at work. Yard sales are great and you can make signs informing the neighbors that the proceeds will go to Make-A-Wish. What a great opportunity to clean out your garage and closets.

May

“Car Wash Month” This is an opportunity for you and your team to wash your neighbors cars or set up at your church, school, social clubs, or any business that will allow you to wash cars. You can create signs that attract people to support the Make-A-Wish Foundation.
